

FACTS AND FIGURES - TRINITY HEALTH 2007

Introduction

Trinity Health is a faith-based organization devoted to a ministry of healing. We serve persons through a network of hospitals, health care services, and advocate partnerships at the community, regional, and national levels.

Our sponsor is Catholic Health Ministries, an entity established by the Catholic Church to oversee the healing ministry and Catholic identity of Trinity Health. Formed by the Sisters of Mercy Regional Community of Detroit and the Congregation of the Sisters of the Holy Cross, Catholic Health Ministries draws upon a rich history extending more than 140 years.

In Trinity Health, we are called to be innovative in improving health care delivery. We are committed to foster healing, act with compassion, and promote wellness for all persons and communities.
