## Farmers Market Mission

The farmers markets will cultivate a commitment to quality local products and produce in a pleasant, easily accessible location by offering goods that will enrich our community through healthy food choices, social exchange and economic growth.

## Operating Guidelines

### Vendor and Products

1. Vendors must live in Michigan and produce their product in Michigan, unless they qualify for the exemption outlined in (a) and (b) below. When reviewing vendor applications, the Market Manager will give preference to those potential vendors living and/or producing within a 100-mile radius of Chelsea.
  - a) If a vendor wishes to sell an out of state product, (s)he must present to the Market Advisory Committee and the market manager before being allowed to sell at market.
  - b) Any new vendor must complete a two-week probationary period at market during which a customer survey may be conducted. After two weeks, the Advisory Committee will vote on whether to allow the vendor a permanent space at market for the season.
2. All produce/products offered for sale must be grown or produced by the vendor, except as noted in the section "Products Definitions and License Requirements". Reselling is prohibited. Only those product categories listed on the application and approved by the market manager will be eligible for sale. Vendors wishing to sell products not listed on original application should discuss with Market Manager.
3. A scheduled farm visit may be implemented between May and August for any vendor selling fresh vegetables, fruits, meat, eggs or dairy. An appointment will be made after the acceptance of any such vendor to the market. These visits will be conducted at the discretion of the manager.

### Attendance

4. A seasonal vendor is encouraged to notify the Market Manager if they will not be in attendance. Notification is requested 48 hours in advance, if possible, by email (coordinator@chelseafarmersmkt.org) or phone 734-593-6806. (This provides the Market Manager the opportunity to fill your stall with a daily vendor.) An already accepted daily vendor must notify Market Manager at least 1 week in advance of the day they wish to attend and is subject to waitlist if the market is already full. Daily vendors must also alert the market manager of an absence within 48hrs of market when possible. Please note: **If a cancellation is made less than 24 hours in advance of the market the daily vendor will be charged the daily fee regardless of attendance.**
5. Vendors are expected to remain open the entire length of the market day unless they have sold out of produce/product prior to market closing and are okayed by the Market Manager to leave early. An exception to this is inclement weather, which may force the market to close early. **See Weather Policy below.**

### Stalls and Signage

6. Vendors must provide their own tables, tents, weights for tents, bags or containers for produce/product and change for use. If a vendor wishes to borrow a tent, they must pay a \$7 rental fee for the day. If they wish to borrow a table, they must pay a \$4 rental fee. Both tents, weights and tables are limited and may not be available.
7. Market stall will be a minimum of one (1) 10'x10' space. Designated walkways must be kept clear.
8. Vendors **MUST** bring weights if they plan on setting up a tent. Each tent must have 4 weights, one for each leg, and they must be firmly attached. Weights must each be a minimum of 10 pounds to ensure the tent is properly anchored.

If a vendor does not have weights, they are not allowed to set up their tent for the day, although they may set up a table and display. The market will not provide weights alone for liability reasons.

Damage to tents because of wind or other circumstances are the responsibility of the vendors and not the market unless the tent is the market's property.

9. The following information must be displayed on a product label, on a small sign by the product, or on a larger display board.
  - a) **Name of vendor business.** In lieu of a sign, the name can be displayed on apparel wore by all vendor personnel, such as hats or shirts.
  - b) **Product names and prices** are posted for all items being sold.
  - c) Cottage Food vendors must have appropriate labeling of all products. See the following website for labeling guidelines: visit [www.michigan.gov/mdard/food-dairy/michigan-cottage-foods-information](http://www.michigan.gov/mdard/food-dairy/michigan-cottage-foods-information) for more information.
10. Participating vendors must post the appropriate food assistance program signs provided by the Market, identifying them as an authorized vendor. **See Food Assistance Agreements.**
11. Vendors requiring electrical service should see the Market Manager to determine availability.

## **Stall Fees**

### 12. Seasonal vendors

- a) For the Saturday market, vendors can purchase a seasonal stall for a fee of \$300. A maximum of two seasonal stalls can be purchased. The fee for an additional adjacent stall is \$110 per season. A maximum of two seasonal stalls can be purchased; with market manager approval three may be purchased for a limited number of vendors. The fee for an additional adjacent stall is \$60 per season. Seasonal fees must be paid no later than the first market, May 7<sup>th</sup>, 2025, unless an alternative arrangement has been approved by the market manager. The fees must be accompanied by a completed and approved seasonal application or you will be subjected to daily status.
- c) For vendors that attend both Wednesday and Saturday a seasonal stall fee of \$400 may be purchased. The fee for an additional adjacent stall is \$150. The fees must be accompanied by a completed and approved seasonal application or you will be subjected to daily status.
- d) Seasonal vendors are assigned a permanent stall for the entire season. Priority in the selection of stalls is given to the seasonal vendors from the prior season who have paid their current year fee in a timely manner and attended 80% of market days on time in the previous year. The assignment of a seasonal stall is at the discretion of the Market Manager, guided by the Market Operating Guidelines. **NO late applications will be considered for seasonal vending; however, you may vend as a daily for the season.**
- e) Two seasonal vendors may share a stall. Each vendor needs to complete an application and pay their half of the stall fee.

### 13. Daily vendors

### Food Assistance Programs

- 14. Both Farmers Markets are USDA Supplemental Nutrition Assistance Program vendors and participate in SNAP/EBT, Double Up Food Bucks, Prescription for Health, and Senior Market Bucks. Vendor participation is highly encouraged of all eligible vendors but not legally required. If participating, vendors may be asked to display signs provided by the market identifying that they accept each program. **Food assistance agreements will be provided to vendors at the beginning of the season, and you will need to fill out a w9 if you are a new vendor for reimbursement.**
- 15. Reimbursement Checks will be issued at month end for the redemption of tokens and coupons for food assistance programs. Please be sure to keep good records and copies of your sheets to ensure prompt and proper payments. \*A W9 is required in order to reimburse for food assistance.
- 16. A list of products that are acceptable for purchase within the restrictions of each food assistance program will be provided to each vendor. If you accept food assistance payment and are not eligible to accept food assistance payment, the market is not responsible for reimbursing you. \*Please do not accept food assistance that you are not eligible for as it compromises the integrity of the programs.

## Chelsea Farmers Markets Vendor Grievance Form and Dismissal Guidelines

The Market Manager has the right to deny or restrict any vendor or vendor personnel's access to the market for failure to follow the Operating Guidelines. Problems, complaints or concerns must be directed immediately to the Market Manager. Any grievance that cannot be resolved between a vendor and the Market Manager may be submitted in writing to the Market Advisory Committee for settlement. Vendors who have disputes with each other are encouraged to work it out between themselves. If an arbitrator is needed the Market Manager will act as, or supply, a neutral party.

If the grievance involves the growth, raising, creation or other production of a product, the grieving vendor will write the suspected violation and give it to the Market Manager along with a check for \$20.00 made out to the Market Manager to cover the cost of a site visit. If the grievance is supported (proven true), the check will be returned to the vendor who filed the complaint, and the violation will be considered a first offense violation. In this case, the violation will be corrected by the next market day or will be considered a second violation. In the case that the grievance is not supported (proven false) the Market Master will retain the check.

The Market Manager shall take no more than two weeks to resolve grievances. If it is a violation of rules, the Market Dismissal Guidelines will be followed as outlined:

- 1) For a first offense of the market rules a vendor will be asked to correct the situation. If it is not corrected, they will be asked to leave by the Market Manager and the vendor will be allowed to return the following week.
- 2) A second violation of the market rules will result in a written notice from the Market Manager to the vendor that states that they will be suspended from the market for one month following the date of the most recent infraction. A continuation of an uncorrected violation from the previous market attendance will be considered a second violation.
- 3) If a third violation occurs again in the same market year, the vendor will receive a written notice from the Market Manager saying that they will no longer be able to be a vendor at either Market for the rest of the market season and that their name will go to the bottom of the list of potential vendors for the next market season.
- 4) A fourth violation of the rules, no matter when, will result in expulsion from the Market permanently.

The Markets strive to provide a fair and equal opportunity for all participants to sell and purchase only quality products at a fair and reasonable price. All vendors and the Market Manager have received a copy of the rules and understand the importance of their cooperation. The grievance procedure is in place to help insure this policy is followed.
